We declare that the animal described above is the one presented for testing. We agree that this test is applied only with the most appropriate solution as required. We agree that the results of this test may be made available for research purposes.

SIGNED: [Signature]

The BAER obtained on 24/1/15 indicates: see notes

- has normal hearing
- can hear with one ear only
- bilaterally deaf

[Signature]

**Back - 1 Chart per ear – A straight line would indicate deafness in that ear.**
